Prior authorization is required for repository corticotropin injection. Payment will be considered under the following conditions:
1) Patient is under two years of age, and 2) Patient has a diagnosis of infantile spasms.

Treatment of compendia indicated steroid-responsive conditions will only be considered upon documented contraindications or intolerance to corticosteroids not expected to occur with the use of repository corticotropin injection.

If criteria for coverage are met, authorization will be provided for up to 30 days of treatment for all indications.

Please note: AmeriHealth Caritas Iowa uses Iowa Medicaid Enterprise criteria. For complete criteria, please consult www.iowamedicaidpdl.com/pa_criteria.

Important note: In evaluating requests for prior authorization the consultant will consider the treatment from the standpoint of medical necessity only. If approval of this request is granted, this does not indicate that the member continues to be eligible for Medicaid. It is the responsibility of the provider who initiates the request for prior authorization to establish by inspection of the member's Medicaid eligibility card and, if necessary by contact with the county Department of Human Services, that the member continues to be eligible for Medicaid.
